ONC—C302—BUFFALO RANCH, OKLAHOMA, lies in the heart of the Indian Nation, astride the paths of the original Great Buffalo herds, which at the time Columbus discovered America, numbered 60 million. Man's depreciation reduced these herds, in 1889 to 541. The Buffalo Ranch is dedicated to the preservation of the last remnants of these Great American Beasts, so that, like the American they symbolize, they shall stand as monuments to our freedom.
